

Our 50th wedding anniversary Luau is almost here!! Here is a schedule of events for the weekend.

There will be boating (weather permitting) and general socializing. You can try your hand at fishing. We do have some rods available. Feel free to come before 6. We do encourage you to bring a beverage of your choice, but we will be providing pop and water. Although there won't be a formal meal, we will provide some food or feel free to bring your own. (grills are available)

Saturday, August 21st 3PM—Pool and Pavilion at the 1812 Restaurant (2590 Sand Rd., Port Clinton) will be available to enjoy. The pool and pool bar are open to the public and feature live music and refreshments. The fee for use of the pool has been waived. In addition we will have a water slide, small wading pool, badminton, volleyball, disc golf and other games for your use.

In the pavilion area we will be providing soft drinks, water and some virgin frozen drinks. You always have the option of purchasing alcoholic beverages from the bar, but outside alcoholic beverages are not permitted. Everyone will receive two drink coupons to get you started. All alcohol will be \$3.50 per drink.

Saturday 5PM — appetizers will be available in the pavilion.

Saturday 6PM — main dishes will be served buffet style.

There will be a DJ who will take requests and everyone is invited to dance. If you haven't checked out our play list and the stories of some of the songs take a look at www.lambacher.com/anniversary . We will be happy to receive cards, but NO Presents please.

When we got married in 1970 we were too young to drink and too poor to throw a party. It was wedding cake and punch at the church. After waiting 50 years, it is time to rectify that so LET'S PARTY! Wear your favorite luau clothes and come and enjoy!!

Aloha!
